From the President

This weekend will see our Senior Premier League team commence the start of its second round of games against Adelaide Hill Hawks SC on Saturday, 12 June in a league game that if we win will place us in the Top 5 for the first time this season.

Our Senior Premier League team will also be playing against Adelaide Blue Eagles this weekend, on Monday 14 June in a Federation Cup Quarter Final. This is the first time our senior team has reached any final stage of the Federation Cup.

I would like to take this opportunity to thank all our sponsors for their continued support throughout the 2010 season. A number of you have been supporting the Comets for several years now and we appreciate your loyalty and ongoing support. I would also like to thank all our wonderful volunteers for all of their contributions and hard work. Thank you all very much!

I would also like to welcome the members of our U12 team, their parents and friends. The U12 team will be our ball boys today and will also have the opportunity to be a part of our Seniors briefing in the meeting room prior to game

Your support over the weekend to both our games would be fantastic to help our team over the line with wins.

Yours in sport
Jim Tsouvalas

ADELAIDE COMETS SENIOR COACH'S WELCOME

We'd like to welcome Adelaide Hills and travelling supporters to Santos stadium for this round 10 fixture. Adelaide Hills set the pace early in the Premier league, including a thoroughly deserved victory against the Comets in round 1. Quite often I get into trouble or taken out of context, so to set the record straight, I have no doubt the Hills will be a formidable side today and are capable of exciting football on our superb pitch. Each team that visits Santos relish the opportunity to play on this surface. Modbury and Hills were my tip this season at the launch back in April and have so far shown to be the strongest sides in the Premier league. Our team will need to be at our best today to reverse the round one result. As always we hope the encounter is entertaining and all supporters enjoy the hospitality with the Comets hopefully getting another home victory.

**Barney Smith

ADELAIDE COMETS RESERVES COACH'S WELCOME

The reserves managed to keep their 1st clean sheet of the year last week and hope to build on this in today's game. The last time we played the Hills it resulted in a hard fought 1-1 draw with both teams having chances to win.

Today's game is the start of the 2nd round and we intend to keep the reserves record of not having missed out on playing finals football.

The squad is getting healthier with the return of some 1st team squad members and also a couple of new inclusions. This along with hard work will hopefully be the ingredient to a successful second half of the year.
