From the President

The Adelaide Comets Premier League teams commence their second round of games for the season on Saturday 12 June 2010 against Adelaide Hill Hawks SC this weekend. Our Senior Premier League team will also be playing against Adelaide Blue Eagles this weekend, on Monday 14 June 2010 in a Federation Cup Quarter Final. This is the first time our senior team has reached any final stage of the Federation Cup.

I would also like to welcome the other team, Cumberland United, playing in FFSA Federation Cup Quarter Finals today. Welcome to Santos Stadium and the facilities here.

I would like to take this opportunity to thank all our sponsors for their continued support throughout the 2010 season. A number of you have been supporting the Comets for several years now and we appreciate your loyalty and ongoing support. I would also like to thank all our wonderful volunteers for all of their contributions and hard work. Thank you all very much!

Thank you for supporting both our games over the weekend.

Yours in sport
Jim Tsouvalas

ADELAIDE COMETS SENIOR COACH'S WELCOME

I would personally like to welcome Zoran Karadzic and all ABE players, staff and supporters to Santos stadium for the quarter final of the cup. ABE are a proud, successful Super League powerhouse that play under a fantastically technically gifted (once player) and now coach. I admire the style Zoran insists on in his teams and would like congratulate him on not wavering to more boring and dirty tactics to get three points. He is inspiring to those of us starting our coaching careers.

This team has some fantastic talent within so we will need to be at our absolute best today to progress into the semi finals. I hope the spectators from both teams get to enjoy a footballing feast and take advantage of the hospitality we offer at Santos. Good luck to all teams competing today and hopefully the Comets can cause a major upset and progress to the Semi Final of the cup.
